

# All Saints' CE Junior School Newsletter

July 2023

Dear Parents and Carers,

Thank you for all your support throughout this academic year, it means a great deal to us. For those families who are leaving us, along with your Year 6 children, we wish you all the best for the future.

Today is also Mrs Cossins' last day, as she starts her early retirement with lots of exciting plans ahead. We're sure you'll join us in sending a huge thank you to her for all of the wonderful years she has dedicated to our schools - initially as the head at Emscote, then as Executive Headteacher, bringing our schools closer together in the federation. We will miss her immensely and wish her the very best of luck and happiness for the future. Safe and happy travels Mrs Cossins - we're not at all jealous!!!

I'd like to take the opportunity once again to send a massive thank you to all of our amazing staff who work tirelessly to support your children. Wishing them and all of you a very happy summer holiday and we look forward to seeing you again in September.

Kind regards,  
Mrs Sutherland

### **Important Changes to Instrument Lessons at School**

From September 2023, Warwickshire Music will be responsible for the booking and invoicing of music lessons in school. To access Warwickshire Music online portal please click the link; <https://warwickshiremusic.paritor.com/> to sign up TODAY. We are pleased to work in partnership with Warwickshire Music to deliver an exciting offer for your child to learn to play a musical instrument.

You can find more information on Warwickshire Music website here: Playing a musical instrument or learning to sing is great fun and helps children to develop self-discipline and confidence. Mastering an instrument can enhance educational attainment and creativity and gives children a sense of achievement. It also has positive benefits on their health and wellbeing.

Lesson charges are as follows: • Shared lesson: £7.38 per lesson • Individual 20-minute lesson: £14.72 per lesson • Individual 30-minute lesson: £22.06 per lesson Lessons are charged termly in advance. ### **The Holiday Activities and Food Programme**

#### **What is HAF and who can access?**

The holiday activities and food (HAF) programme is for school aged children in full time education from reception to Year 11 (inclusive), who receive benefits related free school meals. The programme offers valuable support to families on lower incomes, giving young people the opportunity to access activities with a healthy meal provision over the main school holidays at Christmas, Easter and Summer.

#### **How do I get my child's code?**

Codes will now need to be applied for via a brief online form, this is to ensure that they have the correct contact details and the preferred method of how the HAF code is sent, alongside agreeing to their terms and conditions of the HAF programme. This form only takes a few minutes to complete, with a separate form required for each eligible young person. [Complete the form here.](#)

Once they are processed and sent to families, this unique code will last the academic year so there is no need for them to be re-issued for each holiday period. The code will be valid for Christmas, Easter and Summer so keep it safe.

Families who are eligible get 16 days of free childcare over the Summer. You will also receive food as part of the package.

## Summer reading for Year's 3, 4 and 5 - free Kindle book - local author

A local children's author from Kenilworth is launching a book titled 'Prickly-Pong Island and the Revenge of Captain Red' and would make an ideal read for the summer holiday. (Age 7 plus)

The book is being launched at **Kenilworth Books** on **Saturday 22<sup>nd</sup> July** from **10:30 am - 1:30 pm**.

The story is a holiday adventure set in the South Pacific and is full of action, excitement and intrigue. Ideal for girls and boys in years 3-5. Animal lovers will also love Minoo, a mischievous island monkey, as one of the central characters in this absorbing children's adventure.

## Summer Reading Challenge Ready, Set, Read

### About the Summer Reading Challenge

The Summer Reading Challenge is the UK's biggest reading for pleasure programme for children, presented by The Reading Agency and delivered in partnership with libraries. The Challenge encourages children aged 4-11 to keep reading during the school summer holidays. They set a reading goal and can read anything they enjoy! Public libraries issued over 12 million children's books (including eBooks and audiobooks) during last year's Challenge. The Challenge is proven to significantly improve children's reading confidence, making sure they are ready for their return to school in the autumn. It also gives families the chance to access books and fun family activities throughout the summer – all for free. The Challenge reaches around 700,000 children each year, and 75% of children taking part last year improved their reading skills over the holidays.

### Ready, Set, Read!

Ready, Set, Read! This year's Summer Reading Challenge is all about games and sports. Children will join a fictional team (and their animal mascots!) as they use their skills to weave their way through a summer obstacle course. Developed in collaboration with the Youth Sport Trust, the 2023 Summer Reading Challenge will celebrate play and participation, encouraging children to engage in games and sports in any way that best suits them.

### How it Works

Children of primary school age can join up at their local [Warwickshire County Council library](#) from Saturday 8th July. They will borrow and read books, eBooks and audiobooks, collect special stickers and rewards for reading, [attend fun, free events](#) throughout the holidays and collect a medal & certificate for completing the challenge. Children can also take part via the official [Summer Reading Challenge website](#), where they can sign up for a free Challenge profile and get book

recommendations and tips for accessing books for free at home. They can review books, unlock digital rewards, and access competitions, videos and games.
