Working Together, Valuing Everyone, Learning for Life'

Luke 10:25-37; The Parable of the Good Samaritan

This parable underpins our ethos of love, respect, acceptance, religious tolerance, attitudes towards people who are 'different', compassion, consideration of what makes a 'neighbour' (including our global neighbours) and how we should we treat others.

Dear Parents and Carers,

We look forward to welcoming families into school this week for our Learning Afternoons, which will be held for each year group. There will be an opportunity to share activities with your children, see some of the work which has been completed this term and enjoy a cuppa and a chat. We're still loving the ability to welcome you all back into school! Christmas play rehearsals have already begun and information about tickets will be sent out very soon. It's going to be a very busy half term – so thank you in advance for any help you are able to give in terms of helping your children to learn lines/song lyrics or help with costumes. It's very much appreciated.

Mrs Sandra Sutherland

Cross Country

On Saturday 5th November, 14 children from year 5 & 6 took part in the first cross-country race of the year. The race took place at Priors Field in Kenilworth where the children had to run through lots of muddy fields and run through a brook. The children all did brilliantly; they got really wet and muddy and had a great time! You are all superstars! 😊

Dodgeball Competition

On Wednesday 9th November, 8 children from year 5 took part in a Dodgeball ‘Spirit of the Games’ competition and they played against 7 different schools. However, this competition was a little different to normal tournaments. This event was not about winning. The children had to judge each team they played against three school games values: Honesty, Respect and Teamwork, and give them 1, 3 or 5 marks depending how well they demonstrated these skills. All the children really enjoyed the morning and made the school proud by showing so many of these values. Well done 😊

Friends of Bo Club

We are looking forward to re-introducing our **Friends of Bo Club** on Wednesday lunchtimes and pupil nominations will be taking place soon. The elected club representatives from each class will be investigating what life is like in West Africa and making regular contact with friends at our link school in Bo, Sierra Leone.

We're excited about working as 'Global Citizens' in this unique partnership!

educaterers  A FOOD STORY

Feeding EAGER MINDS

Dear Parent/Carer,

Educaterers are a leading education catering specialist, working in partnership with our school. They follow the Government's School Food Standards and hold the Silver Food for Life accreditation; their teams of expert catering staff ensure that all students have a healthy choice of food at lunchtime, with options to meet the needs of all age groups and those with notified special dietary requirements.

If you currently provide food from home for your child, this is the ideal time to consider a school meal as an alternative, as we know that the menus are popular with students and offer good value for money, with a hot meal and dessert for £.....

We encourage parents and carers to apply for free school meals, where applicable, as this can save parents money and encourage students to try different foods.

To check on your child's eligibility for free school meals and/or apply please go to

With over 60 years experience in the education sector, we bring all that specialist professional knowledge with us into your school kitchen. As long-time advocates of sourcing local British ingredients we are proud of our partnership with Love British Food
