

All Saints' CE Junior School Newsletter

June 2023

Dear Parents and Carers,

As you will be aware, we recently had some visitors from Bo in Sierra Leone. It was wonderful to be able to welcome them into school and spend time strengthening the friendships between our schools. This time, one of the visitors, Miss Elizabeth Allie, was from our own link school - New Gerihun Road Upper. We have had a link with the school since 2011 so it was great to be able share experiences and learning directly this year. Their packed visit culminated in the celebrations for The Day of the African Child on 16th June. Year 4 children attended and has a wonderful time, as you'll see in photos further on in the newsletter. I'd like to extend a huge thank-you to those of our families who were able to host a visitor, it was much appreciated. And another huge thank-you to our own Mrs Garrett, who leads the primary links between 15 schools here, linked with schools in Bo. She, along with the rest of our staff and children in Bo club, are committed to this valued link, where we celebrate our similarities and friendships. We have lots going on in school over the coming weeks - please read on for dates coming up and we hope you can join us for some of the events.

Kind regards, Mrs Sutherland

Important Changes to Instrument Lessons at School

From September 2023, Warwickshire Music will be responsible for the booking and invoicing of music lessons in school. This means if you wish your child to have/ continue lessons in school, you will need to enrol directly with Warwickshire Music. To access Warwickshire Music online portal please click the link; <https://warwickshiremusic.paritor.com/> to sign up TODAY. We are pleased to work in partnership with Warwickshire Music to deliver an exciting offer for your child to learn to play a musical instrument.

You can find more information on Warwickshire Music website here: Playing a musical instrument or learning to sing is great fun and helps children to develop self-discipline and confidence. Mastering an instrument can enhance educational attainment and creativity and gives children a sense of achievement. It also has positive benefits on their health and wellbeing.

Edmonscote Athletics Finals

Well done to Louis and Sam who qualified and represented the school in the Schools Athletics Finals at Edmonscote. Louie came an impressive 3rd place in his event.

Prime Energy Drinks

Please be aware we have been notified by local shops that children are trying to buy Prime Energy Drinks. Anyone under the age of 16 are not permitted to buy these drinks, or be bought them by proxy (parents buying for underage recipients). Prime Energy contain twice the amount of caffeine than a Red Bull.

Parking Around School

Once again we ask parents to be conscientious when dropping off and picking up children before and after school. Do not block driveways, park on grassed areas or obstruct school access, thank you.

The Holiday Activities and Food Programme

What is HAF and who can access?

The holiday activities and food (HAF) programme is for school aged children in full time education from reception to Year 11 (inclusive), who receive benefits related free school meals. The programme offers valuable support to families on lower incomes, giving young people the opportunity to access activities with a healthy meal provision over the main school holidays at Christmas, Easter and Summer.

How do I get my child's code?

Codes will now need to be applied for via a brief online form, this is to ensure that they have the correct contact details and the preferred method of how the HAF code is sent, alongside agreeing to their terms and conditions of the HAF programme. This form only takes a few minutes to complete, with a separate form required for each eligible young person. [Complete the form here.](#)

Once they are processed and sent to families, this unique code will last the academic year so there is no need for them to be re-issued for each holiday period. The code will be valid for Christmas, Easter and Summer so keep it safe.

Families who are eligible get 16 days of free childcare over the Summer. You will also receive food as part of the package.

Below are details of clubs running over the summer holiday where the HAF voucher can be used
