

All Saints' CE Junior School Newsletter

July 2024

Dear Parents and Carers,

I can hardly believe that this is the last newsletter of the academic year, this term has simply flown by! I'm sure you'll realise why when you see how much has been going on, by reading further in this newsletter or looking at our website: https://emscote-infant-all-saints-junior.eschools.co.uk/web/year_group_news_and_updates/363706

A massive thank you to our PTA and to all of you who attended our Summer Fayre last week, making it such a successful event, enjoyed by everyone.

I'd like to wish our federation choir lots of luck as they prepare to perform at the Royal Albert Hall on Tuesday 9th July, which will be an amazing experience. A big thank you to Mrs Hart for all your enthusiasm, commitment and organisational skills in making this happen.

I'm sure I'll repeat this many times before we finally break-up on 19th July, but a big thank you to all of our families for your support this year, it has been another really successful one. We look forward to continuing the school journey with so many of you; but for those who are leaving us this year, we wish you and your children the very best of luck for the future. We'll miss you so please come back to see us!

Kind regards,

Mrs Sutherland

Warwickshire Junior Book Award (WJBA)

Over recent weeks, some of our Y5 and 6 children have been reading the 4 titles shortlisted for this year's award. They voted on their favourite and today they attended the award ceremony at King's High School in Warwick. Three of the four authors attended and talked to the children about their books and signed copies of their books afterwards. The winning title was 'Finn Jones Was Here' by Simon James Green - our children loved that book and all of the others too. We had a great morning! The photo shows our children with Beth Lincoln who wrote 'The Swifts' which was the overall winner for our children.

Edmondscote Athletics

A fantastic afternoon was had by all of our qualifying athletes at Edmondscote track for the Central Warwickshire Primary Athletics Championships.

On Tuesday 25th June the heat was as fierce as the competition and our athletes were up against the best of the best but that didn't stop their determination to give it their all and make us proud!!!

We had five athletes place in the top three for their chosen events.

Year 3 Lily - 50m sprint - Silver
Henry - Long Jump – Bronze
Phoeb – Long Jump - Bronze

Year 4 Sam - 50m Sprint - Silver

Year 5 Sophie - 75m Sprint - Silver
Thomas - Javelin - Bronze

The afternoon started with us trying to keep cool under a shade whilst having some food to keep up our energy levels. A quick warm-up completely, although we didn't really need warming up any further, then straight into both the track and field events which ran simultaneously. Ourselves and the fellow Warwick school competitors were great at cheering each other on and all of our children were fantastic ambassadors for All Saints'.

Violin Assembly

Klara Barton, our violin teacher from Warwickshire Music Hub conducted an amazing assembly recently. All our violin players gave a performance to the rest of the school and invited parents, what an inspirational afternoon.

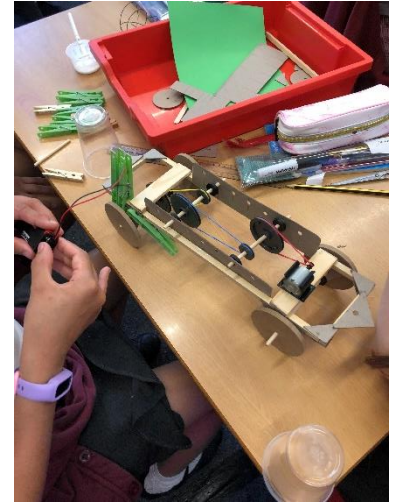

Year 6 Primary Engineer Day

After SATs, year 6 took part in a whole-day engineering project. We were visited by an engineer through the 'Primary Engineering' scheme and really got to grips with locomotive engineering and the history of locomotive design. We worked in pairs to create our own locomotive inventions, some of us focused on creating a locomotive that had breaks and used an axle, whereas others worked on creating an electronic locomotive, using electrical energy to allow our creations to move.

We got to grips with some new tools, such as saws, wire-cutters and electrical components. We then celebrated our creations in a prize-giving event. It was a brilliant day, with a lot of fantastic designs.

Day of the African Child

Year 4 had a great day at St Paul's Primary School for Day of the African Child. There was lots of dancing, drumming and plenty of other workshops to entertain them.

Birthday Sweets

Looking ahead to next year, we will no longer be accepting sweets or food on birthdays to hand out to children. This is due partly to the fact that within our school community there are many dietary requirements and allergies we must safely consider, but also as part of our responsibility to encourage children to make healthy choices with their treats. Children will still be able to wear their home clothes to school to mark their special day.

Warwick Schools' Celebration

Our year 4 children and those who play violin within school, were invited to Warwick Hall, Warwick School this week to showcase the work they have been doing with The Orchestra of the Swan and Warwick: a Singing Town, along with pupils and teachers from several other local schools.

Summer Reading Challenge

Children are invited to take part in the Summer Reading Challenge - the UK's biggest reading for pleasure programme for children aged 4 to 11. The Challenge runs in Warwickshire Libraries from Saturday 6 July and runs through the summer holidays until Sat 7th September. This year, the theme is Marvellous Makers! Developed by the Reading Agency in partnership with Create, a leading charity bringing the creative arts to those who need it most, this year's Challenge aims to fire up children's imaginations and unleash storytelling and creativity through the power of reading.

Local libraries will be running a busy programme of summer activities around this theme. Please click the link to download the flyer [Warwick Library Summer Activities](#)

The Summer Reading Challenge can:

- Help to prevent the summer reading 'dip' for pupils
- Ensure your pupils are ready for their return to school in the autumn
- Support the transition between year groups and key stages

For children taking part in 2022:

- 77% read more over the summer holidays
- 75% improved their reading skills
- 71% felt more confident about their reading

Bookings are now open for their summer activity club. For a bit more of an idea what they offer please view the video here <https://vimeo.com/961046126/aaa7c4c525>
