

All Saints' CE Junior School Newsletter

March 2025

Dear Parents/Carers,

Along with this newsletter, you will find the outcomes from our recent parent questionnaire - thanks to all who contributed.

We have had many sports fixtures in recent weeks and you can find out more in the sports section of our website. Today, some Year 6 girls attended a Girls Football event at Newbold Comyn and were fantastic representatives of our school. We'd like to wish our cross country runners lots of luck for their next race, which takes place tomorrow morning. It's great that these events and general outdoor play at break and lunchtime have been taking place in brighter weather. Just for information, our field has recently been re-seeded so we can't use it for everyone just yet, but we'll be out on it as soon as we can!

Kind regards, Mrs Sutherland

School Uniform / PE kits

Children should wear correct uniform including proper school shoes, trainers are not acceptable on days PE is not taking place. Make sure all items of school clothing are named and no items of jewellery or friendship bracelets are worn.

Reminders of school uniform policy

- All children should be wearing black school shoes - NOT trainers.
- Earrings - children should never be wearing anything other than studs to school, so anyone wearing hoops or anything else will be asked to have them removed.
- Children shouldn't be wearing other jewellery to school, this includes necklaces, rings, bracelets/ friendship bracelets for health and safety reasons (other than those worn for religious purposes).
- Sweatshirts and plain dark joggers for PE days only.

Holiday Activities & Food (HAF) Programme

Over the past few weeks, the Department for Education has confirmed a 12-month extension to the Holiday Activities & Food (HAF) programme to take the programme to March 2026. This means that our usual delivery of funded holiday activities will again take place in the Easter, Summer & Christmas holidays throughout 2025.

What is HAF?

The HAF programme is funded through the Department for Education for school aged children in full time education from reception to Year 11 (inclusive), who receive benefits-related free school meals. The programme offers valuable support to families on lower incomes, giving young people the opportunity to access activities with a healthy meal provision over the main school holidays at Christmas, Easter and Summer.

For our upcoming Spring provision over the school Easter holidays, each eligible young person with a Warwickshire HAF code can access a maximum of **4** funded sessions which all include a meal provision. If families are in receipt of benefits-related free school meals, a request for a HAF code (unique booking code) can be made online at www.warwickshire.gov.uk/haf from a family directly. We verify all requests before a HAF code is sent out, usually via an email. Alternatively, a member of the HAF team can also be reached through the Family Information Service helpline on 0800 408 1558 if online access is not possible. HAF codes issued under benefits-related free school meal eligibility are valid for the academic year and stay the same for the three delivery periods.

For more information about the HAF programme, then please visit www.warwickshire.gov.uk/haf

TUI's Classroom Commitment

Our school will receive a £100 donation for every holiday booked with TUI this month! It's a part of TUI's Classroom Commitment in partnership with easyfundraising. So if you or anyone else you know is thinking of booking a holiday, then please follow these steps: Sign up to support us on easyfundraising; if you're not already doing so: Visit TUI's website via easyfundraising's website or app. You'll see a pop-up that says your donation has been enabled. Then, search for and book your holiday as usual - don't worry, the holiday will cost you the same. And that's it! Our school will receive the £100 donation, which will make an incredible difference to our school and pupils. If you can, please get involved:

Name Warwickshire Fleet Cycles Competition

Warwickshire County Council Road Safety Education Team are running a competition to name their new county fleet cycles. Fleet cycles are available for children to use to access Bikeability cycle training delivered by our cycle training providers. By providing fleet cycles they are aiming to remove barriers to children gaining the skills they need to become the safe cyclists of the future. By naming the cycles they hope to make them engaging for the users, and make it easy for children and their team to identify the different cycles.

- The competition is open to everyone.
- The closing date for entries is 31st March 2025.
- You can suggest a name for one of our cycles per entry.
- All names will be considered by the Road Safety Officers and cycle instructors.

They will share the new names for the 20 cycles once they have been chosen and let the winners know that they are using their name. They will provide a small, age appropriate prize for the winning names. Winners who are under 18 will be contacted via their school or college. Winners over 18 will be contacted via email.

Stop norovirus spreading

Norovirus, also known as the 'winter vomiting bug', is the most common stomach bug in the UK. It can spread easily through close contact, or by contaminated surfaces, food or water.

The main symptoms of norovirus include a sudden onset of nausea, followed by projectile vomiting and diarrhoea, usually 1 to 2 days after becoming infected. Other common symptoms include a high fever, a headache and aching arms and legs.

Good hand hygiene is important to stop norovirus spreading.

To stop norovirus spreading, you should:

- wash your hands thoroughly using soap and warm water after using the toilet or contact with a sick individual and before preparing and eating food.
- stay off school or work until you have not been sick or had diarrhoea for at least two days
- not rely on alcohol gels instead of washing your hands, as these do not kill the virus
- wash any contaminated clothing or bedding using detergent at 60°C using disposable gloves to handle any items
- use bleach-based cleaners to disinfect surfaces

If you catch it, stay home for 48 hours after your symptoms clear

DO

Wash clothes and bedding at 60°C

Wash hands with soap, clean surfaces with bleach-based disinfectants

DON'T

Go to work or school, visit care homes or hospitals

Prepare food for others

Most people will make a full recovery in 2-3 days without needing any medicine. It is important to keep hydrated – especially children and the elderly.

Try not to visit A&E or GP surgeries if you have symptoms of norovirus unless advised to do so by a healthcare professional, as this may spread the bug to others. Call ahead to a GP or ring NHS 111 if you are worried about your symptoms.

Further information is available at NHS 111 or NHS.uk (<https://www.nhs.uk/conditions/norovirus/>)
