

Reception Weekly Round-Up!

Friday 8th December 2023

We would like to say a big THANK YOU to everyone who came and supported our Christmas Craft morning and afternoon this week.

We had so many parents and grown-ups join us and it was so wonderful to share the children's learning environment with you.

Here are some photos from the craft sessions.

Next week in Reception...

Maths:

Next week in Maths, the children will be exploring 2D shapes! We will be having a Christmas themed week of Maths, spotting different shapes in our learning environment. How many shapes can your child spot and name at home and when you are out and about?

Phonics:

Next week in Phonics, we are learning some more new sounds.

The sounds are:

'le' and 'ss'

Please help the children to find objects in your home or think of objects that begin with these sounds.

Topic:

Next week, the Christmas fun continues! We have our Christmas show on Tuesday 12th December at 10am and 2pm – please come and see the children perform! They have been practising lots!

We will be learning about 'The Nativity' in our Topic learning and exploring our Christmas themed environment.

Messages from Miss Stanley and Mrs Vallins:

- Remember to log into 'Seesaw' to see photos of the children and what they have been up to this week!
- If you have any spare pants (boys & girls), socks, tights, trousers, skirts or t-shirts that you can donate to our spare clothes box at school that would be amazing as we are running very low!
- Please send your child into school with a spare change of clothes to have on their peg in a named bag so they can get changed if they get wet or cold.
