

# Reception Weekly Round-Up!

## Friday 15<sup>th</sup> December 2023

What an exciting week we have had in Reception! The children were fabulous in their Christmas show on Tuesday and really enjoyed being dressed up in their costumes. It was lovely to see so many of you at both performances supporting the children. Thank you coming and sharing the performances with us. On Thursday morning, we joined with Year 1 and Year 2 in the church and sang some songs from each year group's Christmas performance. It was very special all coming together to sing our songs.

Next week in Reception...

### Maths:

Next week in Maths, the children will be exploring 3D shapes! They will be having a Christmas themed week of Maths, spotting different 3D shapes in our learning environment. How many shapes can your child spot and name at home and when you are out and about?

### Phonics:

Next week in Phonics, the children are practising all the sounds they have learnt this term and practising their letter formation. Please help the children to say a word e.g. cat and sound it out together. What sounds can they hear in the word? Can they write those sounds?

### Topic:

Next week, the Christmas fun continues! We will be continuing our learning about 'The Nativity' in our Topic learning and exploring our Christmas themed environment.

We have a pantomime coming into school on Tuesday for the children to enjoy and our Christmas lunch on Wednesday too!

### Messages from Miss Stanley and Mrs Vallins:

- Remember to log into 'Seesaw' to see photos of the children and what they have been up to this week!
- If you have any spare pants (boys & girls), socks, tights, trousers, skirts or t-shirts that you can donate to our spare clothes box at school that would be amazing as we are running very low!
- Please send your child into school with a spare change of clothes to have on their peg in a named bag so they can get changed if they get wet or cold.
