

All Saints' CE Junior School Newsletter

March 2024

Dear Parents and Carers,

We reach the end of another busy week in school. As you will know, we had a visit from Ofsted on Tuesday and Wednesday; for those who are not aware, it takes a few weeks for the report to be written and sent to us and we will send you a copy as soon as it has been finalised.

Yesterday, we had a lovely day celebrating World Book Day and children and adults alike looked great in their costumes. The children had opportunities to share their favourite books and completed a range of activities. Today, we are looking forward to welcoming many of you into school for our annual Mother's Day afternoon tea. Next week, we would like to encourage as many families as possible to take part in the 'Big walk, scoot and wheel to school' campaign, travelling as far as you can manage without arriving in your cars. We would also like to encourage you to take part in the 'Big Plastic Count' next week - we continue to encourage our children to develop as global citizens, thinking about some of the world's big issues. Wishing you a lovely weekend.

Kind regards, Mrs Sutherland

Young Voices

After months of practice and dedication, our school choir attended Young Voices concert on 22/2/24 in World Resorts Arena in Birmingham. They performed with a live band as part of 5,400 children's choir in front of an audience. The two hours long concert was filled with celebrities, stage effects and most importantly lots of fun. It was a day that will remain in everyone's memory for a very long time. Congratulations to all the children who took part in this special event.

Year 6 Magistrate Workshop Day

On 29th February, Year 6 were visited by three magistrates from our local magistrates court. We started the day by completing a 'Crime, law and consequences' workshop. We learnt about what happens in court, the people who work in court, skills required to be a magistrate and consequences of breaking the law.

The second part of the session consisted of a 'Mock Trial'. Year 6 pupils became members of the court (witnesses, usher, magistrates, court solicitors and local police etc) whilst others acted as 'Court Reporters' and 'Court artists'. We all followed the trial carefully and considered the evidence. In this case, Sam Little was found guilty of cyber bullying!

Global Goals 12 Project

Our **One World Link** schools project is about helping children and communities understand the need for a more responsible use of materials which avoids waste and pollution. At All Saints' we have chosen to focus on recycling plastic and to support a campaign to create a Global Plastics Treaty.

This term we have had fun making things by re-using what would otherwise be thrown away, making musical instruments and Artwork. We are also collecting lots of different materials to send off to TerraCycle recycling projects; crisp packets, old pens and old glue-sticks.

Year 6 members of Bo Club designed this poster.

CRISP PACKETS
You can help reduce plastic waste!

- Empty crumbs
- Flatten packet
- Put in the **box**

Bo club are on a mission to help the world starting with crisp packets. This is the **box** where you will put them!

The world has a **rubbish problem** but you can help!

Emily's Charity Donation

On Saturday 10th February Emily had her hair cut off for the Little Princess Trust. The charity was set up by Hannah Tarplee's parents after she died from a Wilms Tumour. Hannah loved her hair and losing it was very traumatic. When she died in 2005 her parents wanted other children who had lost their hair from cancer or other conditions to be given free wigs.

The Little Princess Trust has helped thousands of young people regain their confidence and identity by giving them a real hair wig. The charity also funds lifesaving research

into childhood cancers. Each wig costs £550 to make. You can read more about the charity at <https://www.littleprincesses.org.uk/> and donate using the link <https://www.littleprincesses.org.uk/donate-money>

Emily would like to thank Tanya at The Hair Lounge on Emscote Road for cutting her hair in the way required for the wigmakers. Tanya used to go to All Saints and left in 2002 when Mr Allgate was the headteacher. This was Tanya's third time cutting hair for the charity and donated £5 as did another customer who was there at the same time.

There will be a display about the charity and a donation box in school.

Educators School Lunch Costs

We have been notified that from 1st April 2024 the cost of school meals will increase to £2.65 per day or £13.25 per week.

Mr Gammon and the London Marathon

As we reported in the February newsletter Mr Gammon is running the London Marathon next month to raise money for Missing People Charity. You can still donate to this worthy cause [Click here](#). We wish him the best of luck!

Tesco Community Champion

We would like to thank Tesco Warwick who support our local community, including our school. They have recently provided us with new items of school uniform and clothing for our families as well as previously making donations of food for various school events. If you are ever asked to complete a survey through their checkout please feel free to mention Melissa, their community champion.

Safe and Active Schools - Be Bright Be Seen.

Being visible to other road users is important all year round, whether walking, cycling, scooting or wheeling. However, it is especially important during the autumn and winter months when days are shorter and evenings longer.

We can improve our visibility and help drivers and other road users see us by wearing light, bright and fluorescent clothing or accessories in the day, and reflective clothing or accessories in the evening.

If cycling, we must make sure our bicycles have a working white front light, and red back light.

A simple message is to help us remember this is 'Be Bright Be Seen'. Please see video animation below [Be Safe Be Seen Video](#)

Free School Meal Eligibility

Families who receive the following are eligible for free school meals:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

If you think you may be eligible you can apply at <https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>

If your child receives free school meals they are also entitled to Pupil Premium, this is extra funding paid directly to school for each pupil who is eligible. It can help to fund valuable teaching and learning support to improve your child's pupil's education including funding for trips, clubs and music lessons.

PRIMARY ORCHESTRA DAY

On Saturday 13th April, Orchestra of the Swan, in collaboration with the Warwick Schools Foundation are hosting a Primary Orchestra Come and Play Day.

This will be a chance for young musicians to be part of a full-size symphony orchestra for the day, play alongside professional musicians, and work on some fantastic music with musicians from other schools in the county.

Places are open to any primary aged children learning an instrument of the orchestra (Violin, Viola, Cello, Double Bass, Trumpet, French Horn, Trombone, Tuba, Percussion, Oboe, Flute, Clarinet or Bassoon). We will be working on music with differentiated parts available for all instruments to accommodate musicians from beginner to grade 5+, so whatever your level, there will be a part for you. If your child is below grade

1, we would still love for them to attend, just please indicate their ability on the form so we can organise suitable music.

This workshop is free to all participants, all you need to do is sign up by clicking this link and completing the registration form here: <https://forms.gle/FruZVQyF7qY3DuvY9>

Deadline for registering to attend is Friday 5th April 2024

Location: King's High Auditorium, Warwick School, Myton Road Warwick, CV34 6PP

Refreshments: Please bring a packed lunch and a snack. Don't forget to bring a drink with you.

"A Mind of their own" by Care for the Family

A MIND OF THEIR OWN - a great event for parents/carers and anyone working with children about building your child's emotional wellbeing. The most local event is to be held in Coventry on Tuesday, June 4 · 7:30 - 10pm. Early bird ticket price of £6 runs out on 14th March. Standard ticket price £11.

In an anxious and confusing world, this event will give parents, carers, and anyone working with young people, practical and preventative tools to help your children build strong emotional resilience and healthy mental wellbeing. For more information or to book please follow the link below.

WHY US?

1 DIVISIONS

Your child can settle in a division playing other children of the same ability.

3 SCORING

We score like proper tennis which will teach your child to understand tennis scoring.

2 MATCHES

We play matches because your child will hit the ball 10 times more than standard coaching. Your child can enjoy playing different people. Only by playing matches will your child improve more quickly.

4 MINI TENNIS

Playing with a sponge ball gets it over the net and makes rallying easier. Your child can hit harder and develop shots quicker.

5 PAY AS YOU PLAY

No fixed payment terms, you won't lose out if you miss a week due to illness or holiday.

Family Learning

What is Family Learning?

Family Learning is learning that takes place among family members including parents, grandparents, and carers. It's about discovering and exploring things together; learning in a relaxed atmosphere and is an opportunity for parents and carers to discover how their children learn and develop.

Some Family Learning courses are for adults and children together, while others are just for adults. All of our courses are free, with resources provided.

We run courses across Warwickshire, in a variety of settings, including Schools, Nurseries, Children and Family Centres and Community Venues. Some of our courses are 'open to the community' and some are 'invitation only' for parents with children attending specific settings.

Our courses

Literacy	Numeracy	Science, Food and the Environment	Art and Play	Parenting and Life Skills
Exploring Early Literacy through the Eyes of a Baby/ Young Child (REAL)	Exploring Early Numeracy through the Eyes of a Baby/ Young Child (REAM)	Outdoor Explorers	Play and Learn	Understanding your Child

Family Learning

Family Learning are very excited to have partnered with Nuneaton's GRIT art project. These sessions will introduce families to artwork using street art Techniques, using water based aerosol paint, stencils and acrylic pens. Families will have the opportunity to create a piece of artwork to be submitted for the GRIT art installation in Nuneaton town centre in 2024. Please look out for workshops advertised in the Nuneaton area if you would like to be involved in this project.

New Projects!

An exciting new course is coming to Warwickshire very soon to help support you in your Family Money Matters.

We are really looking forward to bringing this to you in Schools, Community Centres and Children and Family Centres from the Summer term. We will have lots of fun exploring money habits and moods, games, best prices and how to be money positive.

This course is designed to help families with children to talk and learn about money together.

Family Learning in South Warwickshire

Warwickshire's Speech, Language and Communication Pathway in Early Years

To parents/carers of children aged 0-5 who live in Warwickshire.

We are developing a Speech, Language and Communication Pathway that brings together all the services & support that's available for children and their families in early years.

We are keen to hear your thoughts, ideas or views on what it's like supporting your young child's speech, language and communication to develop. We'd love to know where you got support from and what worked. What do you think future parents/carers could benefit from?

If you have time, please consider filling out this questionnaire to share your views.

<https://forms.office.com/e/ThJATW2tUK>

If you'd like to participate in more depth, giving feedback and discussing ideas with other parents/carers, then please click here and leave your details.

New digital grand piano available to play at Rugby Library

Ever wanted to have a go at playing the piano but never had the opportunity? Do you want to brush up on your skills or perhaps you are being creative and have something to produce? Warwickshire County Council Libraries is delighted to announce that a digital grand piano is now available for all customers to use and enjoy at Rugby Library and Information Centre.

No experience of playing the piano is necessary, and everyone is very welcome to have a go. Headphones are provided so that you can learn and play privately. See the piano area feature on headphones just as that a hand on later can join in and play.

Warwickshire's Speech, Language and Communication Pathway in Early Years

To parents/carers of children aged 0-5 who live in Warwickshire.

We are developing a Speech, Language and Communication Pathway that brings together all the services & support that's available for children and their families in early years.

We are keen to hear your thoughts, ideas or views on what it's like supporting your young child's speech, language and communication to develop. We'd love to know where you got support from and what worked. What do you think future parents/carers could benefit from?

If you have time, please consider filling out this questionnaire to share your views.

<https://forms.office.com/e/ThJATW2tUK>

If you'd like to participate in more depth, giving feedback and discussing ideas with other parents/carers, then please click here and leave your details.

New digital grand piano available to play at Rugby Library

Ever wanted to have a go at playing the piano but never had the opportunity? Do you want to brush up on old skills or perhaps you are taking lessons and have nowhere to practice?

Warwickshire County Council Libraries is delighted to announce that a digital grand piano is now available for all customers to use and enjoy at Rugby Library and Information Centre.

No experience of playing the piano is necessary, and everyone is very welcome to have a go. Headphones are provided so that you can learn and play privately, but the piano does feature two headphones jacks so that a friend or tutor can join in and listen.
