This week in Reception, the children have been thinking about the imporrtance of looking after their teeth. They enjoyed a cooking session where they got to create a mouth with lips and teeth out of apples, jam and marshmallows. They enjoyed eating them too!

It has also been Chinese New Year this week at school and the children enjoyed an assembly where they got to learn about this year being 'The Year of the Snake'.

All homework books need to be covered with the sticky back plastic please — if you need any more sticky back plastic, please let us know.

★Next week in Reception...

Maths:

In Maths, the children will be using the vocabulary 'more than' and 'fewer than' to describe different amounts of objects. They will also be thinking about the word 'equal' and how this word is used to explain when something is the same or balanced. The children will be using lots of STEM sentences to support their Oracy.

Please practise number formation with your child at home.

Phonics:

In Phonics, the children will be learning 2 more sounds.

Please help your child find objects in your home or think of words that begin with or contain these sounds. Remember you can listen to these sounds on the videos on Seesaw.

Next week in Reception, the children will be reading the book 'If I Built a Car'. They will be thinking about different types of transport and how they are used. The children will be using the book creatively and be thinking about what they would like to travel in e.g. a car, a plane, a rocket etc... Maybe they'll have a swimming pool inside or a trampoline inside just like the little boy has in his dream car in the story?!

How You Can Help...

- Encourage your child's independence by encouraging them to walk down from the top gate by themselves in the mornings. We are celebrating their independence with stickers from Mrs Hutchin as they enter the school.
- Share a book and read with your child every night.
- Talk with your child about their day at school.

- Encourage your child to become independent in using a knife and fork effectively.
- Encourage your child to be responsible for gathering their belongings in the morning and putting on their coats independently, to help them do so in school.
