Oz & James' Great Cycle Challenge came to All Saints'

Oz Clark and James May visited All Saints' to take part in a singing workshop as part of their cycle challenge. They are cycling around the country to help raise money for Armonico Consort and the work it does for those living with dementia.

Poppy Assembly

Children at All Saints' Junior School in Warwick held a two minute silence at 11am today during a whole school assembly. These children in uniform also took part in the Remembrance Sunday parade in Warwick on 10th November.

Christian Aid Global Neighbours Gold Award

We are delighted to share the news that we have achieved the Gold Award status in Christian Aid's Global Neighbours scheme, in recognition of our initiatives to encourage children to think of others throughout the world. We are only the fifth school in the country to achieve the Gold award!

We are thrilled to be recognised for the work we have done as a whole school community to raise awareness of the extreme inequalities across our globe and perhaps more importantly, the steps we can take to address these. The children gain an understanding of injustice in our world through regular learning about global issues, including the Global Development Goals (<https://worldslargestlesson.globalgoals.org/>).

Our children may have shared with you that they have been learning about examples of people who faced adversity and overcame this to be courageous advocates for change.

These stories have challenged us to think about how each of us can make a difference in our local community and globally.

Our world is increasingly connected and our hope is for our children to grow as responsible global citizens who care about issues such as the environment and access to healthcare. The children have especially enjoyed the ongoing link we have with a school in Sierra Leone which informs our curriculum, assemblies and ongoing campaign work.

At the end of her visit, the assessor recognised that we are a 'very special school' and we couldn't agree more!
