

Emscote Express

Issue 13, 1st April 2021

Dear Parents/Carers,

Thank you to those families who recently took the time to sign up to the MY-CATS programme, which is aimed at helping reduce anxiety and identify confidence issues in young children. We would also like to add that if your child is struggling or they have specific concerns about school, please share these worries with us. If you need a conversation with your child's teacher, please contact the office and they will arrange for the teacher to talk to you over the phone. I would urge you to talk to us about concerns as they arise and to avoid airing them on social media and/or WhatsApp. The latter can cause undue anxiety amongst other parents/carers and it is important that our staff are aware of any issues in order to address them.

In preparation for the Easter holidays, the local authority and Public Health Warwickshire have asked us to inform parents that they should keep in touch with school regarding coronavirus infections over the Easter break.

Any child who falls ill with any of the 3 main symptoms should still be tested over the holiday. This does mean self-isolation as a family until a negative result is received. It is imperative that we are able to inform other parents if a child falls ill with symptoms and needs to be tested. In terms of tracing we need to know if any child has symptoms and is being tested **up to midnight on Saturday Evening (3rd April)**. School leaders have been asked by the government to be available to assist with tracing contacts during the Easter holidays.

Please text the Federation **Covid phone 07732 387372** with any new symptoms or positive results. We will contact you via email should there be any need for your child to isolate.

Once again, thank you for your continued support this term and we wish you all a very happy Easter.

Yours sincerely,

Mr Queralt

Double your child's chances of becoming a good reader at the click of a button

Turning on subtitles while children are watching TV can greatly improve their reading skills. A quick, simple, free way to make TV time, reading time.

This brilliantly simple idea **can double the chances of a child becoming good at reading.**

Incredible isn't it?

So the next time your child is watching TV or the tablet, there could actually be an opportunity to improve their reading skills at the same time! In fact research has shown that it can double the chance of your child leaving school as a proficient reader. You can turn them on for the whole family or most streaming services will now allow you to do it just for individual children if you like.

Online Courses for Parents, Grandparents and Carers

How do I access?

www.inourplace.co.uk

What's the code?

- If you haven't used it already here is the access code for all the online courses (funded for residents of Warwickshire): **BEAR**
- If, like many parents, you have already used this code, log into your account [here](#) and this course will be ready in your dashboard to start whenever you are ready.

Can I tell my family and friends?

Absolutely! Share the news with other families in the area so that they too can take advantage of this fantastic opportunity.

How long is it?

There are 7 modules which each take about 5 minutes to complete and will benefit from time to digest in between.

If you like this...

...you might like the bigger '[Understanding your child](#)' or '[Understanding your child with additional needs](#)', or other courses in the series. www.inourplace.co.uk

The graphic features a purple background with a central illustration of two hands, one green and one orange, holding each other. At the top left, it says 'UNDERSTANDING YOUR CHILD' and 'SOLIHULL APPROACH' with icons. The 'ourplace' logo is in the top center, and the 'NHS' logo is in the top right. A yellow banner on the left says 'New course'. The main title is 'Understanding your child's feelings'. A yellow box on the right says 'Part of the Solihull Approach series'. A white speech bubble on the left says 'THIS IS A TASTER COURSE. A CHUNK OUT OF THE BIG COURSE.' A white speech bubble on the right says 'DIP YOUR TOES IN THE WORLD OF ONLINE COURSES FOR PARENTS, GRANDPARENTS AND CARERS'. At the bottom right, it says 'Apply access code here: www.inourplace.co.uk'.

Nutrition

This week's theme is Nutrition.

Feeding our brains with a balanced diet can improve our physical and mental health. Good nutrition has been linked to academic success and healthy brain development. A good diet doesn't mean we can't enjoy our favourite foods, but that we are feeding our bodies with lots of different nutrients.

Try one, or both, of the below activities throughout this week.

- 1) Let's eat a rainbow! How many different colours of the rainbow have you eaten in your fruit and vegetables this week? Can you add a few more colours to your next meal?
- 2) Take a look at [what is in season right now](#). Commit to adding one new piece of fruit or veg to your diet this week.

The Mental Health in Schools Team provides support to students and schools. We are available during term time and school holidays. Please contact your school's Mental Health Lead, or your Education Mental Health Practitioner for information and advice.

Minimising Young Children's Anxiety Through Schools

Emscote Infant School is working with a team of researchers at the University of Oxford on a research project called MY-CATS. The MY-CATS team are testing out a new way of identifying and supporting young children who might benefit from help to build confidence and reduce the chance of problems with anxiety, now and in the future. We would like as many families as possible in these participating classes to be involved!

You can watch a short video about the project here:

[MYCATS video](#)

You can also watch a longer, more detailed video about the project here:

[MYCATS parent information session](#)

If you would like to take part, please follow the link below to complete the consent form and provide your contact details.

[MYCATS parent consent](#)

You will then receive an email with a link to the screening questionnaires.

- Parent champions help others learn about the project and get involved.
- Champions spread the word to parents who may not be on social media and explain the study.
- Champions help others to remember key dates by using Facebook and WhatsApp.

THANKS

As a thank you, we'll offer you a £20 gift voucher for your time and your valuable contribution to the MY-CATS project.

Holiday Activities and Food (HAF) Programme

The Department for Education (DfE) has made funds available to every local authority in England to coordinate free holiday provision, including healthy food and enriching activities. The programme will cover the Easter, summer and Christmas holidays in 2021.

The funding is for children who receive benefits-related free school meals (Reception to Year 11). In addition to the HAF programme, Warwickshire County Council will separately be providing the Winter Grant scheme payment to eligible families for the Easter holidays.

If you can answer yes to any of the following questions you may be eligible for Free School Meals, the HAF programme and Winter Grant Scheme:

- Is your joint family **income** under £16,190 per year?
- Are you in receipt of any of the **benefits** listed below?
 - Income Support
 - Income-based Jobseekers Allowance
 - Income-related Employment and Support Allowance
 - Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
 - the guarantee element of State Pension Credit
 - Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
 - Working Tax Credit run-on
 - Universal Credit.
- Are you or your partner a member of the **Armed Forces**?

If you think you may be eligible for benefits-related free school meals and supporting schemes mentioned above please apply online at:

FREE SCHOOL MEAL ENTITLEMENT AND PUPIL PREMIUM REGISTRATION

Due to the current situation with COVID-19, we are aware that Parent and Carer's circumstances may have changed. Depending on your family/household income, your child may be eligible for **Free School Meals**. All children in Infant School receive a free hot meal at lunch-time, but this is a separate entitlement.

If your child qualifies for Free School Meals they will also receive **Pupil Premium funding**. This entitles your child to free or subsidised school trips, music lessons, school uniform and help to access after school clubs. Registering children for Free School Meals and subsequently Pupil Premium also enables the school to claim additional funding to improve resources for your child in school.

If you can answer yes to any of the following questions you may be eligible:

- Is your joint family **income** under £16,190 per year?
- Are you in receipt of any of the **benefits** listed below?
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support from NASS (National Asylum Support Service) under part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on
- Universal Credit.
- Are you or your partner a member of the **Armed Forces**?

All reception, year 1 and year 2 children in state-funded schools can have a free hot meal at lunchtime. This is known as 'Universal Entitlement'. If you think you are eligible for any of the criteria above we recommend that you still apply. This will mean that your child's school does not miss out on important funding. **It may also mean your child will continue to receive free meals after the end of year 2.**

If you think you are eligible then you can apply online at

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>
