

# All Saints' CE Junior School Newsletter

October 2024

Dear Parents and Carers,

We look forward to welcoming you into school for your parents evening meetings next week. Please contact the office if you have not received the link to book your appointment. As usual, we will be sending out our parent questionnaires - these are all completed digitally now and we would be very grateful if you could take the time to give us your feedback, which is really important to us. The link will be sent out on Monday next week and you will be able to complete them on laptops in school during parents evenings if that is easier. Thanks in advance.

Kind regards,  
Mrs Sutherland

**Safe and Active Schools Programme provided by WCC Road Safety Education Team**

Our school has once again signed up to the Safe and Active Schools Programme 2024-2025. As part of the programme all children will be receiving age-appropriate road safety sessions, and we will also be participating in and promoting active travel. We recognise how important messaging is for our children. Your children copy your actions, and your behaviour serves as a powerful role model. We would like to ask all our families to model the safest behaviours near the road for children to copy and make good choices around travelling actively on the school run. We will be sharing messages and ideas from the Safe and Active Schools team and further information about the children's road safety learning in school throughout the year.

For further information about road safety and active travel you can follow or contact the road safety education team.
