

All Saints' CE Junior School Newsletter

October 2025

Dear Parents and Carers,

My goodness, it's October already! The first few weeks have flown by and we're delighted by how well the children have settled and are already moving on with their learning. We look forward to welcoming you into school for parents' evening meetings soon, where there will be an opportunity for you to look at your child's books. Booking information will be sent to you next week. It's hard to believe that we're mentioning Christmas already, but please see the dates below for other opportunities to come into school.

Kind regards,

Mrs Sutherland

Ania

Unfortunately, I must share the sad news that Ania Matthews, our amazing Family Support Worker, will be leaving us in two weeks. Primarily funded through the Church and working across both of our schools, Ania has been instrumental in supporting our children and families. Many children have benefited from her Drawing and Talking and Solution Focused therapies and have enjoyed Messy Mass at Church. Prior to this role, Ania worked with us in All Saints' as a highly valued teaching assistant. After many years across both roles, we will really miss her! However, we are delighted that she has secured a new position working in Further Education, which will be an exciting new chapter. She will also be continuing with her own personal studies. I'm sure you will join us in thanking Ania for her service wishing her the best of luck for the future.

Being a parent is exciting and rewarding but there are also times when children behave in ways that are a challenge for us. This 2-hour workshop looks at strategies to implement boundaries and rules. This workshop is for parents/carers of children of all ages. It will focus on:

- How and why boundaries support children's development
- Parenting strategies that can be used to support boundaries such as rules, praise, routines.
- Identify different parenting styles
- Build an awareness of positive parenting and how to implement this in day to day life
- Looking after ourselves as parents and carers

This is a general overview and if further support and advice is identified, contacts and referral pathways will be available at the end of the workshop.

We regret **we are unable to accommodate children** in the centre during the workshop. If you are unable to get childcare our virtual workshop may suit you.
