

CWSSP Key Stage 1 Gymnastics Final

Our gymnasts were outstanding today at the County Gymnastics final for Keystage One. They gave superb performances in both judged exercises- vault and floor. They showed excellent focus, control and balance with a determination to be the best they could be! We had a fun filled afternoon which was finished of by all competitors getting the opportunity to try out on the bars, beams and trampolines!

We were so proud of our initial achievement of actually getting to the final and we finished off the competition in style. We gained a solid top ten placing amongst extremely skilled gymnasts from all areas of Warwickshire, well done team Emscote!!!
