15<sup>th</sup> March 2021

Dear Parents and Carers,

It has been such a pleasure to welcome your children back into school this week and we have all been impressed with their enthusiasm and excitement about being here. We will of course be maintaining the careful, covid-safe measures we have had in place and are hopeful that we will face no further closures. Thanks once again for all of the support you have provided during lockdown, both for your children and for the staff, it has been greatly appreciated. We look forward to continuing with a sense of 'normality' which is greatly enhanced by brighter and longer days.

*Sandra Sutherland*

## PTA Easter Bingo and Raffle

Children are invited to come to school in non-uniform on Thursday 1<sup>st</sup> April in exchange for an Easter Egg. The PTA will then host a Zoom Easter Bingo on the Sat or Sunday afternoon that first weekend. More details to follow.

Bingo books are going to be used as usual so parents will order how many adult/child books they'd like, pay online and PTA will get them in named envelopes to both schools on the Monday for teachers to give out on the Thursday.

After the Easter hols, winners will receive their eggs and the rest of the eggs will go into a raffle.

## myON

Just a reminder that we will continue to encourage children to read books on myON instead of or in addition to their school library books. This offers them a wide range of reading material, including a great range of non-fiction books, especially while covid restrictions mean that they are unable to visit the library independently.

Please do not send loose change with your child.** No change will be given. Unfortunately at this time we do not have provision for payment to be made online. Children can bring their own healthy option but no crisps / chocolate bars or cakes from lunch boxes are to be eaten at break time.

## School Meal Payments

We would like to remind all parents that school meals must be paid for in advance of meals being taken. Meals cost £2.35 per day, £11.75 per week. Parents should pay for meals online via [www.eduspot.co.uk](http://www.eduspot.co.uk), please do not send cash in to the school office unless absolutely necessary. All outstanding debts **MUST** be cleared by **Friday 2<sup>nd</sup> April 2021** to bring accounts up-to-date.

## School Uniform

Children should be wearing correct school uniform with no jewellery or dangly earrings. Any earrings will be removed or must be covered for PE.

If you need to order school uniform please visit [www.goodies.co.uk](http://www.goodies.co.uk) or contact Tracy Tuckett on 07498 575 088 or at [www.creative-embroiders.co.uk](http://www.creative-embroiders.co.uk)

### Year 3

Year 3 have had a brilliant week and have settled back into 'normal school-life' really well. This week we took part in chocolate tasting, where we tried 8 different types of chocolate and talked about what tastes we like and dislike, we loved this lesson! We've also been watching Charlie and the Chocolate Factory as part of our last topic (Chocolate) and been comparing the film to the book written by Roald Dahl. We've been reigniting our love of reading and discussing our favourite books and characters and have created book reviews and character profiles based on these - our work was so beautiful that we have created a class display with all of it!

In Science, we have been planting our own seeds and thinking about what they need in order to grow - hopefully they'll start to germinate soon and will be able to be sent home once they've grown a little!

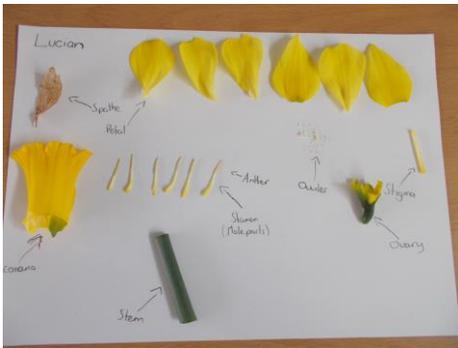

Year 4  
Year 4 had fun making jam tarts this week

### Year 5

In year five we are learning about lifecycles. This included learning about the lifecycle and reproduction of a flowering plant and included investigating the individual parts of a plant. We dissected daffodils to bring this learning to life.

### Year 6

Year 6 children have been working hard during their first week back and have produced some wonderful work.

In art, they took part in a competition where they had to consider what lockdown meant/looked like to them. This was a really great way for the children to express themselves and they produced some lovely art.

In English, they have been studying Biographies and have produced some brilliant writing on the character of Kensuke, from Kensuke's Kingdom.

# EVERYONE MATTERS

# EVERYONE COUNTS

## CENSUS PURPOSE: WHAT'S IT FOR?

The Census is a compulsory survey of all households in England & Wales every 10 years. Everyone needs to be included whatever your status or circumstances. That's every 10 years since 1801 (apart from 1941) and the data informs planning for future services and meeting needs.

The Census helps when unravelling the past – historians and people researching their heritage and roots use information from past censuses.

Census 2021 is organized and delivered by The Office for National Statistics and is independent from the Government.

## CENSUS PROCESS: WHAT DO I NEED TO DO?

All households (including residential and care homes, hostels and refugees) will receive a letter with information on Census 2021 and your unique code number. You will have got this by now

You can fill in your form online or on paper from 1st March. Most people will fill it in online [www.census.gov.uk](http://www.census.gov.uk) and many will have paper-copies delivered.

Census 2021 Day is Sunday 21st March – that day becomes a snapshot of society. Census data is the basis of funding for local councils and planning for community needs such as schools and transport. Remember, the census data that you submit is anonymous (names are released after 100 years).

You must fill in your household census, but you do not need to answer all of the questions. You can also request a paper copy. You can also get a separate form from the rest of your household if you want to keep any personal information about yourself private

Starting on the 22nd March a team of 220 people will be working across the entire District, they will be knocking on doors and offering to help anyone who has not yet completed Census 2021. This work will continue until the 28th April when Census 2021 closes.

Fill in your Census form at [www.census.gov.uk](http://www.census.gov.uk)

Call 0800 141 2021 to find out when your local Support Centres are open, tell the Census people you want a paper copy, or to get one privately (they will send it to you in a plain envelope).

## NEW QUESTIONS... NEW TIMES

Each Census reflects changes in our society, these were all new questions in:

- 1841 – What is your name?
- 1971 – Is there a car or van in the household?
- 2001 – What is your religion?
- 2021 – What is your sexual orientation?  
What is your gender identity?

## BIG CENSUS QUESTIONS

1. What religion had 6,242 followers in 2011?
2. What's to stop them selling all my family information?
3. When did the Census first ask people about their race and ethnicity?
4. A friend of mine needs **HELP & SUPPORT** to fill in their form – can they speak with a real person?
5. How many females were born overseas in the 1861 Census?
