Next week in Maths, the children will be practising their subitising skills up to 5. This is looking at an amount and just knowing how many they can see. The children will also be using the vocabulary more than, fewer than and equal to.

Next week in Phonics, we are learning some more new sounds.

The sounds are:

'r' and 'h'

Please help the children to find objects in your home or think of objects that begin with these sounds.

Next week, we will be learning about Diwali – the festival of light!

#### Message from Miss Stanley and Mrs Vallins:

We have our very own Starbucks Café in Reception for the children to play in. We would LOVE the children to visit the real Starbucks with their grown ups and send us pictures in on Seesaw or printed copies or email them through to the office! Thank you!

### How you can help at home...

- Share a book and read with your child every night.
- Talk with your child about their day at school.
- Please encourage your child to become independent in using a knife and fork effectively.
- Please encourage your child to be responsible for gathering their belongings in the morning and putting on their coats independently, to help them do so in school.

Christmas Craft Day - Wednesday 6th December — times TBC Reception Christmas Play – Tuesday 12th December 10am and 2pm

Have a lovely weekend! Miss Stanley, Mrs Vallins and the Reception Team.
